Re. 99P-1340/CP.1 — Petition to Have Eternity eau de p	urfum declared "Misbrarde	\$99 DEC 20 Y L 20
Dear Sir or Madam:		
In May 1999, the Environmental Health Network (EH	N) submitted the above per	ition to have Calvin Klein's
Fremme pair de partim declared "misbranded." I am	writing because I fully supp	ort this petition and request
that the FDA give it careful attention with regard to y 21 GFR Sec. 740.10. Regulation 21 CFR Sec. 740.10 state	our regulations 21CrK Sec.	740.1, ZICFR Sec. 740.2, Alid
Each ingredient used in a cosmetic product and o	each finished cosmetic prod	uct shall be adequately sub-
etantiated for safety prior to marketing. Any sucl	n ingredient or product who	ise safety is not adequately
substantiated prior to marketing is misbranded u	inless it contains the follow	ing conspicuous statement o
the principal display panel: "Warning — The safety of this	product has not been deten	mined."
As the petition shows, Eternity contains toxic ingredie		
tiated. There is no warning label on its packaging.		
We all have a right to know the status of safety test	ing of the ingredients in pro	oducts such as Eternity so tha
we can protect ourselves and our families from toxic	chemicals that may cause ne	eaith problems, Most people
are not aware that most fragrance materials have only products are safe to use in any setting and are surprise	imited safety testing. The	y wrongruuy assume diese
